

The Believer's Part in Becoming Spiritual

entertainment had chosen your home as the place in which he would stay. What a house-cleaning would take place! What preparation would be made that everything would be fitting and worthy of so honored a guest! But oh! what an unclean, unfit place we ask the King of kings and Lord of lords to live in, not for a day but for a lifetime!

But I said, "Lord, I have given you my soul, why do I also need to give my body?" I saw faintly that day, but with growing clearness every day since, why God asks for our bodies. He needs a channel for a revelation of Himself to the world. "The Word was made flesh and dwelt among us" and men saw the Father in the Son. Christ is now in heaven. But oh! isn't His presence needed here on earth? Do not those in your city, home, school, office need to see Him? In what way will He reveal Himself to men now? He has two ways.

One is through His Word. But how many millions do not possess a Bible? How many other millions could not read it if they did? The other way is through us Christians who form His body on earth. Oh! the greatest need in Hong Kong today is not merely preaching and teaching the gospel, but it is to see Jesus Christ walking up and down these streets and living in your homes. How will He do it?
